

Dear friends,

It is with a heavy heart that we have decided to cancel the in-person Irish Hearts Benefit Dance this year. As we confront the ongoing events which have turned our world upside down, we hope that you and your loved ones are staying safe and healthy.

We never dreamed that something like this would happen in our own community and there is no way to fully prepare for the impact this has and will continue to have on our daily lives.

Irish Hearts began as a response within our community to the crisis following Haiti's 7.0 magnitude earthquake in 2010. We came together then to focus on the healing power of community and we hope you will join us again when that spirit of community is needed more than ever. In our 11th year, you have shown us time and again that when we come together we can have a tremendous impact in this world.

We hope you will enjoy a cup of Irish tea as you join us from the comfort of your home for our Irish Hearts Hour on Sunday April 19th. At this time, we will come together as a community once again to honor those who have been there with us along this journey. Tune in to WROL 950AM, 100.3FM from 1-2pm. Don't have a radio? Listen live at WROLradio.com through your laptop or mobile device. You can still purchase raffle tickets for your chance to win a trip to Ireland or Lake Tahoe by texting IrishHearts to 41444. We will host the raffle drawing live on air and are offering an online silent auction at Charityauction.bid/irishhearts. If you are able to give at this time, we thank you. If you are not, we ask for your love and prayers as we navigate what will surely be trying times ahead.
